Spa Cover Order Form

Covers will be made to measurements you provide. Spa brand/model is for reference only. Some variance in size is normal due to the handcrafting of the cover. Choose your "Spa Type" and fill in all dimensions below, using OUTSIDE spa lip dimensions. Document on the illustration any areas (obstructions) that will require either cutouts or routing and provide the actual dimensions of the obstruction including height, length and width. Also provide a measurement from the closest corner.
